NON-FORFEITABLE INVESTMENT POLICY

is a New kind of Policy, originated and issued only by this Company. On this plan the payment of an annual sum for insurance secures the return in case of death of ALL THE MONEY PAID in with accumulated profits, together with the payment of the amount insured. Also, if the Assured lives to the age specified, the amount of the Policy and all the profits and ALL THE PAYMENTS MADE WILL BE PAID TO HIM.

An estimated result of an investment in such a Policy at the age of 30, the annual payment being about £120, by allowing profits to accumulate, would be, at the age of 65, the payment of about £12,400, and in the meantime would produce an Insurance averaging nearly £6,400. For Rates, see Table IX.

Amount Assured, £1,762,561. Annual Income, £67,679.
Accumulated Premium Fund, £236,703.

The Directors invite special attention to the following:—

Assurances can be effected at an uniform rate of premium for residence in either India or Europe. By this plan residents in India are called upon for greatly diminished payments.

Settlement Policies by which the Society will act as Trustees for Widows and Children.

Absolute Assurances secured in proportion to each premium paid.

Second Class Lives may pay ordinary rates, the extra premium being charged as a debt on the policy, which debt shall be reducible annually during the lifetime of the assured until it is extinguished.

The Society's Profits belong exclusively to the Assured, and are divided every five years. At last division in 1868 the sum of £30,000, less the usual reserve, was distributed among the members.

Payment of Claims. Claims not exceeding £200 are paid as soon as recognised by the Board, larger amounts within three months after proof of death, or earlier under discount.

The Society's Policies are virtually indisputable. No policy will be voided by unintentional misstatement in the proposal and declaration.

Undoubted Security is afforded by an accumulated premium fund in excess of the Society's requirements.

Copies of the last Balance Sheet, Annual Report, and Prospectus, may be had on application.

INDIAN MEDICAL SERVICE.

Regulations for the Examination of Candidates for the Appointment of Assistant Surgeon in Her Majesty's Indian Medical Service.

1. All natural born subjects of Her Majesty, between 22 and 28 years of age at the date of the examination, and of sound bodily health, may be candidates.

2. They must subscribe and send in to the Military Secretary, India Office, Westminster, a declaration according to the annexed form.

This declaration must be accompanied by the following documents:—

(*a*) Proof of age, either by extract from the register of the parish in which the candidate was born, or by his own declaration, pursuant to the Act 5 and 6 Will. IV., c. 62; such extract and declaration respectively bearing the stamps required by law.

(*b*) A certificate of moral character from a magistrate, or a minister of the religious denomination to which the candidate belongs, who has personally known him for at least two preceding years.

(*c*) The candidate must possess a diploma in surgery, or a licence to practise it, as well as a degree in medicine, or a licence to practise it in Great Britain or Ireland.

(*d*) Degrees, diplomas, licences, and certificates of their registration in accordance with the Medical Act of 1858, must be lodged at the India Office, for examination and registry, at least one fortnight before the candidate appears for examination.

3. On producing the foregoing qualifications, the candidate will be examined by the Examining Board at Chelsea Hospital in the following subjects:—

Anatomy and Physiology.

Surgery.

Medicine, including Therapeutics, the Diseases of women and children, Chemistry and Pharmacy, and a practical knowledge of Drugs. (The examination in medicine and surgery will be in part practical, and will include operations on the dead body, the application of surgical apparatus, and the examination of medical and surgical patients at the bedside.)

4. The eligibility of each candidate for the Indian Medical Service will be determined by the result of the examinations in these subjects only.

5. Candidates, who desire it, will be examined in Comparative Anatomy, Zoology, and Botany, with special reference to Materia Medica, and the number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of these branches of science.

The subjects for this part of the examination will be taken from the following books:—

(1) "Animal Kingdom," by W. S. Dallas, F.L.S.

(2) "Outlines of the Structure and Functions of the Animal Kingdom," by Rymer Jones; or "Cours Elémentaire d'Histoire Naturelle," par Milne Edwards.

(3) Lindley's "School Botany," Lindley's "Medical and Economic Botany," Henfrey's "Elementary Course of Botany."

6. Candidates, who may desire it, may also be examined in the Elements of Physics and in Physical Geography. The following books are recommended for this purpose:—

(1) "Elements of Natural Philosophy," by Golding Bird and C. Brooks.

(2) "Physical Geography," by Mrs. Somerville.

7. The Examiners in London will prepare a list in order of merit, with the marks affixed in the different subjects, to be transmitted to the Director-General and communicated to the Professors of the Army Medical School. If any Candidate is found to be deficient in any particular subject, this shall be stated, in order that he may receive special instruction on the point at Netley.

8. After passing his preliminary examination, every candidate will be required to attend one entire course of practical instruction at the Army Medical School, before being admitted to his examination for a commission, on—

(1) Hygiene.

(2) Clinical and Military Medicine.
(3) Clinical and Military Surgery.
(4) Pathology of Diseases and Injuries incident to Military Service.

These courses are to be of not less than four months' duration.

9. At their conclusion, the candidate will be required to pass an examination on the subjects taught in the school. The examination will be conducted by the professors of the school.

The Director-General, or any medical officer deputed by him, may be present and take part in the examination. If the candidate give satisfactory evidence of being qualified for the practical duties of an Army Medical Officer, he will be eligible for a commission as Assistant Surgeon. The commissions of Assistant Surgeons bear date from the day of joining at the Army Medical School.

10. During the period of his residence at the Army Medical School, each candidate will receive an allowance of *5s.* per diem, with quarters, or *7s.* per diem without quarters, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the regulation undress uniform of an assistant surgeon of the British service, but without the sword).

11. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

The persons who shall be pronounced by the Examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as Assistant Surgeons in Her Majesty's Indian Army. Their position on the list of Assistant Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position on that list.

12. All Assistant Surgeons who shall neglect or refuse to proceed to India under the orders of the Secretary of State for India within two months from the date of their appointment will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

13. The physical fitness of candidates will be determined previous to examination, at Chelsea Hospital, by a Board of Medical Officers, who are required to certify that the candidate's vision is sufficiently good to enable him to perform any surgical operation without the aid of glasses. A moderate degree of Myopia would not be considered a disqualification, provided it did not necessitate the use of glasses during the performance of operations, and that no organic disease existed.

Every candidate must also be free from organic disease of other organs, and from constitutional weakness, or other disability likely to unfit him for Military Service in India.

CIVIL SERVICE FURLOUGH AND ABSENTEE RULES.

DEFINITIONS.

1. In the following Rules,

"Actual Service" includes the period during which an officer is on duty, also periods spent on Privilege and Subsidiary Leave, and periods during which an officer, not on leave, may be out of employ on subsistence allowance in India.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

"Long Extraordinary Leave" means extraordinary leave extending beyond a period of three months.

"Long Furlough" means furlough extending beyond a period of three months.

"Salary" includes acting allowances.

An officer's "Station" means that station to which he stands appointed, or such other place as the Government to which he is subordinate may determine.

CHAPTER I.

FURLOUGH.

2. The maximum period of furlough which can be granted to any officer during the whole period of his service is limited to six years.

3. Subject to the above limit, furlough shall be placed to the credit of each officer, at the proportional rate of one year's furlough for every four years of actual service.*

4. No furlough shall be taken before the completion of eight years' actual service, except under Rule 8.

5. Furlough shall not be repeated until three years from the date of the last return from Long Extraordinary Leave or Long Furlough, except under Rule 8. Leave taken under Chapters II. and III., but no other leave, shall be reckoned as part of the said three years.

6. The maximum term of furlough to be taken at any one time shall be two years.

7. Except as hereinafter provided, an officer, when on furlough, shall retain a lien on his substantive appointment, or on an appointment of similar character and not less salary, and he shall be granted allowances at the rate of 50 per cent. of his average salary for the previous three years, or for the period which has elapsed since his last return from Long Furlough or Long Extraordinary Leave, if that period be less than three years.

In calculating such average, the time spent and the allowances drawn under any leave, excepting Privilege Leave under Chapter II., shall be omitted.

Provided that no officer on furlough shall draw more than £1,000, or less than £300 per annum.

8. Under medical certificate—

(*a*) Furlough may be taken on the abovementioned conditions, without reference to the amount at credit under Rule 3.

(*b*) Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from Long Extraordinary Leave or Long Furlough. When on furlough under this clause, an officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance, *unless he has completed six months' actual service since his last return from Long Extraordinary Leave or Long Furlough, and there remain some leave to his credit under Rule 3, in which case the officer will retain a lien on his appointment, and will draw allowances as calculated under Rule 7, until that credit be exhausted, but in no case for a period exceeding one year.*

(*c*) Furlough taken without medical certificate, or under clause (*a*) of this Rule, may be extended beyond two years for a period not exceeding one year. When on furlough under this clause, an officer will not retain a lien on his appointment, and will be entitled only to subsistence allowance.†

9. Furlough taken or extended under Rule 8 is subject to the provision of Rule 2.

10. Furlough taken in India will be reckoned from the date of the officer quitting his station to the date of his return thereto. Furlough taken out of India will be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India,

---

* A Civil Servant who has taken leave on medical certificate under leave rules prior to those of 1868, will not be debited with such leave, up to the limit of one year, against furlough which would otherwise be at his credit. All such leave shall, however, be included in the maximum amount of six years fixed in Rule 2 of the Rules of 1868.

† The rates of subsistence allowance are:—

	Per Mensem.
For a Civil Servant of 12 or more years' standing	Rs. 400
For a Civil Servant of more than 8 but less than 12 years' standing	Rs. 320
" " of not more than 8 years' standing	" 250

the commencement and termination of the furlough will be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, an officer shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During those periods his allowances will be calculated in the same way as his furlough allowances, but without limitation as to maximum and minimum. Provided that, if the officer has, under these rules, lost his lien on his appointment, he shall draw subsistence allowance of his rank. Subsidiary leave shall count as service and residence.

12. Applications for furlough will in all cases be submitted to the Government to which the applicant is subordinate, and will be dealt with in such manner as the Governor-General of India in Council may from time to time prescribe.

13. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs will be granted under these rules.

14. All applications for furlough under medical certificate, in accordance with these rules, will be granted without restriction.

15. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of officers who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning, in the case of an officer who has not taken long extraordinary leave or long furlough, from the date of arrival in India, and in the case of an officer who has taken long extraordinary leave or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

16. The term of *residence* qualifying for pension shall be twenty-one years, but no leave, except privilege leave and subsidiary leave, shall count as residence.

17. The term of *service* qualifying for pension shall be twenty-five years.

CHAPTER II.

PRIVILEGE LEAVE.

18. Subject to the exigencies of the state, an officer who has completed eleven months' continuous duty may take privilege leave for one month without deduction from his salary, retaining a lien on his appointment whether substantive or officiating. Provided that, in the case of his holding an officiating appointment, such lien and his acting allowance will cease on the resumption of charge by the officer to whom the substantive appointment belongs.

19. In the same manner, and under the same conditions, two or three months' privilege leave may be taken when an officer has completed continuous duty of twenty-two or thirty-three months respectively.

20. Privilege leave may, at the discretion of the local Government, be taken in separate instalments. No second instalment shall be taken until after the completion of six months' continuous duty from the expiry of the first instalment. In this case, the eleven months qualifying for fresh privilege leave will be reckoned from the expiry of the first instalment, the period of the second instalment being omitted from the calculation.

Provided that the whole privilege leave taken at any one time shall not exceed three months, and that no accumulation of privilege leave beyond that period shall be admitted.

21. If an officer shall over-stay his privilege leave, he shall forfeit all salary during the time of his remaining so absent; and, if he shall so continue absent for more than one week, his office shall become vacant.

22. Privilege leave shall be reckoned as residence and service.

CHAPTER III.

SPECIAL LEAVE.

23. Specia leave, on urgent private affairs, may be granted at the discretion of the local government for a period not exceeding six months. In respect of retention of a lien on appointment, of allowances drawn during the leave, and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough. Special leave shall not be reckoned as residence.

24. Rule 21 shall, *mutatis mutandis*, apply to an officer over-staying special leave.

25. Special leave may be repeated with out allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

26. Furlough, privilege leave, and special leave shall not be taken as such in continuation of each other: but, if an officer absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

27. Subject to considerations of State, there will be no restriction as to the places where an officer may reside when on leave.

28. Leave allowance shall be payable monthly, if payment is taken in India, and quarterly, if payment is taken in England.

CHAPTER V.

TEMPORARY RULES.

29. Whatever aggregate amount out of the three years' furlough and three years' sick leave under the rules until now in force, at present remains to be taken by an officer under the said rules, shall remain to be taken by him under rules now promulgated.

30.*

31. Any officer now absent on leave, who has no appointment, may, on his return, and until he again holds an appointment carrying equal pay to that of the substantive appointment which he last held, draw the subsistence allowance of his rank, together with 75 per cent. of the pay of any appointment in which he shall officiate. Provided that the total salary so drawn by him shall not exceed the pay of the appointment in which he is officiating. This rule shall apply to any officer who may have already returned from furlough.

32. Any officer now absent on furlough, or under medical certificate, may elect whether the remainder of his leave shall be taken under these rules from the date of their promulgation. If he shall so elect, Rule 30 shall not apply to him.

Rules regarding Acting Allowances.

1. An officer holding a substantive appointment, and officiating in an appointment of a higher grade or class, shall draw acting allowance calculated at 30 per cent. on the first Rs. 2,000, and 20 per cent. on the remainder of the pay of the appointment in which he is officiating.

Provided that, if the acting allowance so calculated do not amount to two-thirds of the difference between the pay of the two appointments, it shall be raised to two-thirds.

Provided further, that in no case shall the whole salary so drawn exceed the pay of the appointment in which the officer is officiating.

2. An officer holding no substantive, but only an officiating appointment, shall, subject to the provisoes in Rule 1, draw, in addition to the subsistence allowance of his rank, 50 per cent. of the pay of the appointment in which he is officiating.

3. In the case of an officer officiating in an appointment the pay of which is progressive, his acting allowances shall be calculated on the mean pay of the said appointment, provided that the whole salary so drawn shall not exceed the minimum pay of the said appointment.

RULES FOR THE REGULATION OF LEAVE OF ABSENCE TO THE JUDGES OF HER MAJESTY'S HIGH COURTS OF JUDICATURE IN INDIA.

DEFINITIONS.

1. In the following Rules,

"Actual Service" includes the period during which a Judge is carrying on his duties in a High Court, also periods spent on Privilege and Subsidiary Leave, and periods of vacation during which the Judge is not on furlough or "Extraordinary Leave."

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

CHAPTER I.

FURLOUGH.

2. One year's furlough shall be placed to the credit of each Judge after the completion of every four years of actual service.

3. Except under Rules 6 and 7, no furlough shall be granted until at credit under Rule 2.

Provided that any Judge who may have been already in the service of the Government at the time of taking office in the High Court, and who was at that time entitled, under the Rules applicable to the branch of the service to which he belonged, to furlough without medical certificate, may be granted furlough for a term not exceeding that to which he was so entitled, upon the condition that such furlough shall not be taken until the completion of two years' actual service in the High Court, and shall not exceed one year.

4. Except under Rule 7, furlough shall not be repeated until after the completion

of three years' actual service from the date of the last return from furlough or extraordinary leave.

5. The maximum term of furlough to be taken at any one time shall be fifteen months.

6. Under medical certificate, furlough may be granted before it is at credit, under Rule 2.

7. On urgent private affairs, furlough may be granted before it is at credit, under Rule 2. and although three years of actual service have not been completed since the last return from furlough or extraordinary leave. Provided that furlough under this section shall not exceed six months, and shall be granted only once during the whole period of a Judge's service in the High Court.

8. The aggregate amount of all furlough which can be granted to a Judge during the whole period of his service in the High Court shall not exceed two years and a half.

9. Furlough taken in India shall be reckoned from the date of the Judge quitting his office to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be respectively determined by the above Rules, according as the furlough begins or ends in or out of India.

10. For the interval elapsing between the date of quitting his office and the commencement of furlough out of India, and between the termination of furlough out of India and resuming his office, a Judge may be allowed subsidiary leave, not ordinarily exceeding thirty days, which in special cases may be extended.

11. A Judge, when on furlough or subsidiary leave, shall receive allowances at the rate of Rs. 833. 5. 4. per mensem, or £1,000 per annum.

12. Except under medical certificate, the number of furloughs to be granted at any one time, and the grant of furloughs to individual Judges, shall be subject to, and limited by, the exigencies of the service, which exigencies shall be determined exclusively by the authority granting the furlough.

13. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Judges who may be absent on furlough at the same time, applications not supported by medical certificate will be granted in the following order:—

The Judge to whose credit the greatest amount of furlough remains under Rule 2 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in a High Ccourt is longest, reckoning in the case of a Judge who has not taken furlough or extraordinary leave from the date of his commencement of service in the High Court, and in the case of a Judge who has taken furlough or extraordinary leave from the date of his last return from such furlough or leave.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Court.

CHAPTER II.

PRIVILEGE LEAVE.

14. Subject to the exigencies of the service, a Judge who has completed eleven months' continuous duty, inclusive of vacations, may, if the Government be satisfied that there is an urgent necessity, but not otherwise, be granted privilege leave for one month without deduction from his salary or acting allowances.

15. In the same manner, and under the same conditions, an additional month of privilege leave shall be held to accrue to a Judge after each further period of eleven months' continuous duty.

16. Privilege leave shall not be taken in instalments, but any balance of privilege leave that may not have been taken shall be added to the next privilege leave which may accrue. Provided that the whole privilege leave taken at any one time shall not exceed three months, and that any accumulation of privilege leave beyond that period shall be forfeited.

CHAPTER III.

GENERAL.

17. Furlough and privilege leave shall not be taken as such in continuation of each other, but if a Judge absent on one of these classes of leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of leave for which it was changed.

18. Applications for leave shall in all cases be submitted in such manner as the Government may, from time to time, prescribe.

19. Leave allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20. No substantive appointment shall be vacated merely by reason of leave being granted under these Rules.

21. If a Judge shall overstay any leave, he shall forfeit all salary during the time of his remaining so absent, and if he shall so continue absent for more than one week, his office shall be liable to become vacant.

22. No leave, except privilege leave and leave subsidiary to furlough, shall count

as service for pension. The period of service at present qualifying for pension as a High Court Judge shall be diminished by six months for full pension, and by three months for half pension.

23. Each Judge at present standing appointed to a High Court shall, on the first occasion of his taking leave, be given the option of accepting these Rules or abiding by those at present in force for Judges of the High Courts of Judicature.

24 If a Judge, who is a Covenanted Civil Servant, shall be permitted to resign his office and remain in the service, all leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the leave of absence of Covenanted Civil Servants.

The above Rules are, with the sanction of His Grace the Secretary of State for India in Council, hereby declared applicable, with the modifications below stated, to the following Officers:—

Barrister Judges of the Chief Court of the Punjab;
Recorders in Burmah;
First Judges of Small Cause Courts at the Presidency Towns;
Secretary to the Council of the Governor General for making Laws and Regulations.

Modifications above indicated.

1. The allowances of these Officers, while on furlough or subsidiary leave, shall not exceed half their salaries, and shall be limited also to the rate prescribed in Rule 11.

2. With reference to Rule 22. the pensions to which these Officers are entitled under medical certificate after nine years' service shall be due after eight years and eight months' actual service; and the pensions to which they are in like manner entitled after seven years' service shall be due after six years and nine months' actual service.

The following Notification is also published, for general information and guidance:—

NOTIFICATION No. 3,070.

A question having been raised as to whether the Resolution of the Financial Department, No. 101, dated the 24th April, 1869, and published at page No. 917 of the "Gazette of India" of 1st May, 1869, on the subject of privilege leave, is applicable to Judges of Her Majesty's High Courts of Judicature, the Governor General in Council observes that privilege leave to these and certain other officers, under the Rules recently prescribed, differs from ordinary privilege leave, in that no Judge of a High Court is held entitled to such leave, unless Government be satisfied that there is an urgent necessity for it. Leave under Chapter II. of the Rules in question is therefore rather in the nature of short leave on urgent private affairs, while vacation takes the place of privilege leave.

On these considerations, His Excellency in Council is pleased to declare that the Resolution above quoted shall not be held to apply to Judges of Her Majesty's High Courts of Judicature, or to the other Officers to whom the Rules governing the leave of those Judges have been declared applicable.

NOTIFICATION No. 3,486.

With reference to the Notification of this Department, No. 3,070, dated the 2d instant, published at page 255 of the "Gazette of India," the Governor General in Council is pleased to explain that the Resolution No. 101, dated 24th April, 1869, shall not be held to apply to any High Court Judge or other Judicial Officer to whom the new Rules governing the leave of High Court Judges have been declared applicable, even though, under Rule 23 of those Rules, he may elect to abide by former Rules. Whatever Rules any of these Officers may elect, privilege leave will not be granted to him except on urgent necessity being shown, since all of them have equally the benefit of vacation.

His Excellency in Council is further pleased to declare that the only exception will be the Secretary to the Council of the Governor General for making Laws and Regulations, since this Officer does not enjoy vacations. He will therefore be exempted from showing urgent necessity for privilege leave, but the Resolution No. 101, dated 24th April, 1869, will be applicable to him.

2. The maximum period of furlough which can be granted to any Chaplain during the whole period of his service, is limited to six years.

3. Subject to the above limit, furlough shall be placed to the credit of each Chaplain at the rate of one-fourth of his actual service after adding thereto one year.

EXAMPLE.—A Chaplain who has completed nine years' actual service, will be credited with one-fourth of ten years, *i.e.* two and a half years' furlough.

4. Subject to the same limit, leave on medical certificate to the extent of one year taken prior to the promulgation of these Rules, shall not be deducted from the furlough credited to a Chaplain under Rule 3.

4*a*. Except under Rule 8, furlough shall not be taken until the completion of seven years' actual service, nor in excess of the period of furlough at credit under Rules 3 and 4.

5. Except under Rule 8 (*b*), furlough shall not be repeated until three years from the date of the last return from long extraordinary leave, or long furlough. Leave taken under Chapters II. and III., but no other leave, shall be reckoned as part of the said three years.

6. The maximum term of furlough to be taken at any one time shall be two years.

7.† Except under Rule 8, a Chaplain when on furlough shall be granted allowances at the rates noted in the margin.

8. Under medical certificate—

(*a*) Furlough may be taken on the above conditions, without reference to the amount at credit under Rule 3.

(*b*)† Furlough for a period not exceeding one year may be taken, even if less than three years have elapsed since the last return from long extraordinary leave or long furlough. When on furlough under this clause, a Chaplain shall be entitled to only the allowances noted in the margin, unless he has completed six months' actual service since his last return from long extraordinary leave, or long furlough, and there remains some leave to his credit under Rule 3, in which case a Chaplain shall draw the full allowances mentioned in Rule 7, until that credit be exhausted, but in no case for a period exceeding one year.

(*c*) Furlough taken without medical certificate, or under clause (*a*) of this rule, may be extended beyond two years for a period not exceeding one year. During the period of extension of furlough beyond two years under this clause, a Chaplain shall be entitled to the allowances mentioned in the margin of Rule 7 (*b*).

9. Furlough taken or extended under Rule 8 shall be subject to the provision of Rule 2.

10. Furlough taken in India shall be reckoned from the date of the Chaplain quitting his station to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of return.

In the event of the furlough being taken partly in India and partly out of India, the commencement and termination of the furlough shall be determined by the above rules, according as the furlough begins or ends in or out of India.

11. For the interval elapsing between departure from his station and the commencement of furlough, and between the termination of furlough and the re-arrival at his station, a Chaplain shall be allowed subsidiary leave not ordinarily exceeding in each case thirty days. During these periods his allowances shall be the same as during the furlough to which the said leave is subsidiary.

12. Subject to the exigencies of the service, both as regards the number of furloughs available at any one time, and as regards individual applications, of which exigencies the Government of India, Madras, or Bombay, as the case may be, shall be exclusively the judge, furloughs shall be granted under these rules.

13. All applications for furlough under medical certificate, in accordance with these rules, shall be granted without restriction.

14. If, owing to the exigencies of the service, it may be necessary to place any limit on the number of Chaplains who may be absent on furlough at the same time, applications not supported by medical certificate shall be granted in the following order:—

The applicant to whose credit the greatest amount of furlough remains under Rule 3 shall have the preference.

If two or more applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in India is longest, reckoning in the case of a Chaplain who has not taken long extraordinary leave, or long furlough, from the date of his arrival in India, and in the case of a Chaplain who has taken long extraordinary leave, or long furlough, from the date of his last return from such leave or furlough.

If two or more applicants are equal in both respects, the preference shall be given to the senior in the Gradation List.

CHAPTER II.

17. If a Chaplain shall overstay his privilege leave, he shall forfeit all salary during the time of his remaining so absent.

CHAPTER III.

SPECIAL LEAVE.

18. Special leave on urgent private affairs may be granted at the discretion of the Government for a period not exceeding six months. In respect of allowances to be drawn during the leave and of subsidiary leave, the conditions of special leave shall be the same as those prescribed for furlough under Rules 7 and 11.

19. Rule 17 shall, *mutatis mutandis* apply to a Chaplain over-staying special leave.

20. Special leave may be repeated without allowances after intervals of at least six years' actual service.

CHAPTER IV.

GENERAL.

21. Applications for leave shall in all cases be submitted in such manner as the Governor General of India in Council may from time to time prescribe.

E. H. LUSHINGTON.
Secretary to the Government of India.

NOTE.—Chaplains who came to Europe under the furlough rules previously in force are allowed the benefits of the above rules, should they so elect, from the 1st August, 1868.

MILITARY FURLOUGH REGULATIONS OF 1796.*

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

* These Regulations do not apply to officers who entered the service after the 1st of February, 1854.—Vide Military Furlough Regulations of 1854, p. 21.

Digitized by Google

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz.:—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

MILITARY FURLOUGH REGULATIONS.—Nov. 17, 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough leave of absence, without any limitation ...r such leave be in India or elsewhere ...nd officers who once make their ...ill not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for service to the authorized extent only, in computing the time for retirement on full pay.

Digitized by Google

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absentees.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs, will not be available a second time, if the

fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years, in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs, in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835–37), must have served

twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more, will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as counting for the retiring pension, will be as follows:—

Years.	Months.	
1	8	in 17 & under 20 yrs.' service
2	0	in 20 ,, 25 ,,
3	0	in 25 ,, 30 ,,
4	0	in 30 and upwards.

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the *full time of service* above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

INDIAN MILITARY FURLOUGH RULES.—July 1, 1868.

The Right Honourable the Secretary of State for India having, with certain modifications, approved generally of the Rules relative to the absence on leave of Military Officers, published in Government General Order No 613, dated 19th June, 1868, the following revised rules are published in substitution of those contained in the order above referred to.

These rules will be applicable to all officers who may elect to adopt them belonging to the several Indian Staff Corps or to the Indian Army, and in regard to the period of leave of absence during which appointments may be held, and in regard to the increased allowances, they will also be applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature.

To obviate confusion or misconception as to the rules referred to, those previously in existence and those now sanctioned will be severally designated as the Furlough Rules of 1796, of 1854, or of 1868.

The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits, specified in paragraph 5 of these rules, converted at the exchange of two shillings for the rupee, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the Rules of 1796 and 1854.

1. The distinction with respect to allowances hitherto drawn between furlough on private affairs and sick leave is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtainment of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

2. Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

3 The rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70; but an absentee cannot retain his appointment and draw absentee allowances, except u

rules now prescribed.* Nor do they affect the regulations by which general officers commanding divisions and brigades can only obtain limited periods of leave without forfeiting their commands.

4. Leave of absence will, in future, be of three kinds, viz. :—

1. Furlough in or out of India.
2. General leave on private affairs or sick certificate in India or short leave to sea.
3. Privilege leave.

CHAPTER I.

FURLOUGH.

5. An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at the rate of 50 per cent. of the salary of his substantive office. But an officer on civil employ, and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him for three years prior to his proceeding on furlough. No absentee shall, in either case, draw more than 1,000*l.* or less than 250*l* per annum. The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay or staff allowances in addition to pay, but will not include any extra or special allowances. It is to be clearly understood that an officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to pay at the rate sanctioned to him when leaving India, provided that an officer whose term of office shall lapse during his furlough shall cease to draw his half staff salary from the date of such lapse. An officer will also be entitled to the benefit of his promotion to a higher staff corps or regimental rank whilst on furlough, subject to the maximum limit.

Officers not in staff employ will receive half the Indian pay of their rank, provided that in no case will an officer entitled to furlough receive less than the above minimum of 250*l.* per annum.

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe, will draw their half salary or minimum absentee allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

6. All grants of furlough on private affairs are subject to the exigencies of the public service, of which exigency the Government is to be exclusively the judge, and to any regulations that may be found necessary for limiting the number of absentees.

7. The maximum amount of furlough on private affairs to be taken at any one time, carrying pay and retention of appointment, will be two years.

8. A period of at least three years' service after return from last furlough, except furlough under Rule 11, must be completed before furlough can again be taken, unless obtained under medical certificate. (*See* Rules 13 and 14.)

9. An officer will be eligible for two years' furlough on the completion of eight years' actual service in India, for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules 6 and 7. The fact of having taken furlough on medical certificate will not affect the grant of these furloughs, except as to the conditions laid down in Rules 8, 13, and 16.

10. An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough to which he may be entitled.

---

* The section referred to is quoted below :—

Section 70. "And be it further enacted, that no person who shall have held any civil or military station whatever in *India*, in the service of the said United Company, being under the rank or degree of a member of Council or Commander-in-Chief of the forces, and who, having departed from *India*, by leave of the Governor General in Council, shall not return to *India* within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in *India*, either in the *European* or native corps of troops or in the civil line of the Company's service, unless in the case of any civil servant of the Company it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to *India* by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any military officer, it shall be proved to the satisfaction of the said Court of Directors, and the Board of Commissioners for the affairs of *India*, that such absence was occasioned by sickness or infirmity, or some inevitable accident."

(1) *An officer who has served nine years in India is entitled to two years' furlough. He takes only one year, and after his return remains in India for five years. He is then eligible for two years' furlough, as follows:—*

(2) *An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.*

11. Furlough on urgent private affairs for six months, with pay equivalent to the British regimental pay of his rank, may be granted, when the officer is not eligible for ordinary furlough. The said period may form part of the periods of either eight or six years referred to in Rule 9.

12. Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough.

13. Absence on medical certificate for a longer period than two years at one time, or departure on such furlough within three years of the date of return from a previous furlough, except furlough under Rule 11, will involve forfeiture of the appointment. Such furlough may, however, be extended to a third year on English furlough pay.

In the event of an officer not being able to return to his duty after an absence of three years, it will rest with the Right Honourable the Secretary of State for India in Council to order him to appear before a medical board, with a view to placing him on the Retired List, if entitled to pension, or on the Half-pay List.

Should the circumstances of the case warrant a further extension of leave, it can only be granted without pay.

14. An officer not entitled to furlough, whose health may necessitate his taking it within three years from the date of last return may, under the usual medical certificate, obtain such amount as may be duly certified to be necessary for the restoration of his health, but will only receive English furlough pay, and must vacate any appointment he may be holding.

15. An officer entitled to furlough, whose health may necessitate his absence from India, will be compelled to take leave as furlough under Rule 9, but without forfeiting any passage-money to which he may be entitled under Military Fund Rules, or if a Subaltern, by Regulation when proceeding on medical certificate. Any extension of this furlough beyond the period to which he may be entitled under Rule 9, will be regarded in all respects as furlough on medical certificate. Such extension will not be allowed to take effect until the officer shall have exhausted the entire amount of his available furlough on private affairs. If the aggregate of two years' leave is exceeded, the officer will after that date come under the provisions of Rule 14.

16. The aggregate amount of furlough with pay and retention of appointment, whether on private affairs or on medical certificate, that may be granted to an officer during his service, will be limited to eight years.

17. If taken in India, furlough will be reckoned from the date of the absentee quitting his station to the date of his return thereto; if taken out of India, from the date of the sailing of the vessel in which he may have embarked to the date of his disembarkation in India.

18. Preparatory leave to embark for Europe or elsewhere on furlough will be granted for any period not ordinarily exceeding thirty days. Leave to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India.

19. Furlough allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

20. Advances of furlough pay will continue to be made in India to those officers who desire it, for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

21. The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and Staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule 5.

22. An officer acting in India for an absentee will be restricted for the entire period of such acting to the half Staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half Staff salary of his own appointment, if he possess one. The Staff salary granted to an acting officer will, however, in no such case be less than Rs. 100 per mensem.

military officers of counting the proportion

24. In computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service from the total periods to which under Rule 9 he can lay claim. The balance will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty.

CHAPTER II.

GENERAL LEAVE ON PRIVATE AFFAIRS AND SICK CERTIFICATE IN INDIA.

25. An officer will be eligible, as at present, to take leave on private affairs or sick certificate in India, for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief, or of the Government under which he may be serving. During the entire period of his absence on this account, the officer will be entitled, as at present, to his full pay, and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively, the officer will lose his staff appointment.

26. Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a medical board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule 9. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank.

27. Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

28. All general leave taken in India counts as part of the leave reckoning against service for pension.

CHAPTER III.

PRIVILEGE LEAVE.

29. Privilege leave may be granted, as at present, for sixty days in each year, to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

30. In the case of the stations noted in the margin,* privilege leave may, as at

* Assam, Shillong, Erinpoora, Deolee, Khairwara, Khotra, Bunnoo, Dera Ishmael Khan, Dera Ghazee Khan, Rajanpore, Jacobabad.

Digitized by Google

present, be granted for 90 days to officers of local corps, or of corps which are usually employed in one or other of the districts named.

31. An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

32. Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

MILITARY OFFICERS IN CIVIL EMPLOY.

33. Military officers in civil or political employ taking leave in India come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

SUBSIDIARY RULE.

34. Officers of the Indian military and medical services will be required generally to notify their intention to accept these rules, or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made. Officers who may determine to abide by existing rules will be allowed to proceed on furlough on the conditions laid down in Rules 7, 8, and 13, to the extent to which they may be entitled under the furlough regulations of 1854, and on the rates of pay contemplated in those regulations, but retaining their appointments. The principle laid down in Rule 15 must, however, be applied in those cases.

If an officer under the Furlough Rules of 1796 elects the present rules, his service for pension will be reckoned under the former rules up to 1st July, 1868, and thenceforward under the rules of 1868.

The foregoing rules will take effect from the 1st July, 1868, as respects retention of appointment, and terms under which leave will be granted, but half staff allowances will not be available for officers now on leave in cases where the acting officer has already come into receipt of the full staff salary. Nor can officers who have vacated appointments which have since been permanently filled up have any claim to be restored to them.

FURLOUGH RULES FOR WARRANT OFFICERS.

It has been decided:— 1st, that the furlough rules of 1868 shall apply to all warrant officers holding veteran or honorary commissions, the period of service qualifying for furlough being calculated from the date of the attainment of the commission. These officers will receive, during furlough, half their total receipts, without any reference to a minimum or maximum rate.

2nd.—That conductors and sub-conductors shall only be entitled to a furlough on sick certificate. The furlough will be for two years, and half of aggregate Indian allowances will be drawn during that period. Any leave on sick certificate not exceeding one year, granted in extension of the two years, or leave taken within less than three years from date of last return to duty, will be on English furlough pay only.

N.B.—These rules are equally applicable to warrant officers and those holding the honorary rank of Assistant Surgeons in the Subordinate Medical Department.

ROYAL WARRANT

FOR THE FORMATION OF THE STAFF CORPS.

Victoria R.

Whereas it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furlough may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,* shall be eligible to enter such Staff

---

* This portion of the Royal Warrant has been revised by another Royal Warrant, dated 2nd May, 1868, which declares that—"Our will and pleasure is that from and after the date of this Our Warrant, Officers of Our Land Forces serving in India, under the rank of Regimental Field Officer, who shall have served two years with a Regiment, of which one shall have been in India, shall be eligible to enter the Bengal, Madras, or Bombay Staff Corps."

Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

It is Our further will and pleasure that the promotion and pay of the Staff Corps shall be regulated as follows:—

1. Ensigns, when permanently transferred to the Staff Corps, to have the rank of Lieutenant. Other Officers to have the rank which they may hold in their Regiments.

2. Promotion in the Staff Corps to be governed by length of service.

Officers after twelve years' service, of which four must have been in the Staff Corps, to become Captains.

After twenty years' service, of which six must have been in the Staff Corps, to become Majors.

After twenty-six years' service, of which eight must have been in the Staff Corps, to become Lieutenant-Colonels.

Five years' service in the Staff Corps as Lieutenant-Colonel to entitle the Officer so employed to the Brevet rank of Colonel.

3. Officers now in Staff employment in India, joining the Staff Corps on its formation, shall count their previous Staff service towards promotion to the following extent:—

One step of rank will be given to every Officer whose period of service would qualify him for it, according to the above Rules. An interval of two years at least must intervene between each succeeding step.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

6. Exchanges may be allowed between Officers of the Staff Corps under the substantive rank of Field Officer and Regimental Officers of the same rank on the recommendation of the Indian Governments. Officers of the Staff Corps exchanging into a Regiment will become the Juniors of their Regimental rank.

7. The power of removing Officers from the effective List of the Staff Corps will be exercised by us through Our Secretary of State for India.

8. Officers of the Staff Corps will receive pay according to the following scale:—

	Whilst required to remain in India.				Out of India.			
	Rs.	As.	P.		£	s.	d.	
General Officers *	1295	5	0	per mensem.	1	5	0	per diem.

Captain	374	1	6	,,	0	10	6	,,
Lieutenant	225	12	0	,,	0	6	6	,,

Every officer when in active employment will also receive, in addition to the above pay, such a sum as will make his total pay and allowances up to the sum assigned by the Governments in India, with the approval of the Secretary of State for India in Council, as the consolidated pay of the office which he may hold. Eventually a certain proportion of the senior Officers of the Staff Corps will receive Colonel's allowance.

9. Officers of the Staff Corps will be allowed to retire on the following scale of pension,

---

* NOTE.—In order to entitle a Staff Corps Officer of the rank of Major-General to the unemployed pay mentioned in the Royal Warrant for that rank, he must have actually served not less than five years in the substantive rank of Field Officer—the above five years being inclusive of any time he shall have been obliged to pass upon half-pay or leave in consequence of ill-health contracted in the service (as established by a Board of Medical Officers), or in consequence of wounds received in action.

An Officer of the Staff Corps promoted to the rank of Field Officer by Brevet for service in the field, who shall continue to serve uninterruptedly on full pay from the date of his promotion by Brevet to the date of his obtaining the rank of Major-General, is entitled to the unattached pay of that rank, notwithstanding he may not have served five years, with the regimental rank of Field Officer with a regiment, or in one of the situations specified in Clause 8 of the Royal Warrant of 31 Jan., 1859.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast-tables with a delicately-flavoured beverage which may save us many heavy doctors' bills."—*Civil Service Gazette.*

EPPS'S

(BREAKFAST)

COCOA

COMFORTING

The very agreeable character of this preparation has rendered it a general favourite for breakfast. It is made simply with boiling water or milk. Sold only in ¼lb., ½lb., and 1lb. tin-lined packets, labelled—JAMES EPPS & Co., Homœopathic Chemists, London.

The
"Food Journal"
says:—

"A new process to which the nibs are subjected, the principal part of the oil is effectually removed, a THIN beverage, well adapted for afternoon or evening use, as a substitute for tea, being the result. The peculiarly smooth and delicate flavour of CACAOINE, will in addition, be a great attraction to all cocoa drinkers."

AN EVENING BEVERAGE.

CACAOINE.

Cacao nibs on the removal of the oil fall into powder, and this powder is Cacaoine. Cacaoine contains neither sugar nor any other admixture whatever. Cacaoine makes one of the lightest, thinnest of warm drinks, and is the most desirable of all for use in the later hours of the day. Cacaoine, by reason of the ingenious method by which the oil is removed, preserves all the fine natural flavour of cacao nibs.

Sold in Packets or in Tins.

DR. J. COLLIS BROWNE'S

(Ex Army Med. Staff)

CHLORODYNE

IS THE ORIGINAL AND ONLY GENUINE.

CAUTION.—Vice Chancellor Sir W. P. Wood stated that Dr. COLLIS BROWNE was undoubtedly the Inventor of CHLORODYNE: that the story of the Defendant, Freeman, being the Inventor, was deliberately untrue, which he regretted had been sworn to. Eminent Hospital Physicians of London stated that Dr. J. Collis Browne was the discoverer of Chlorodyne; that they prescribe it largely, and mean no other than Dr. Browne's.—See *Times*, July 12, 1864.

The Public, therefore, are cautioned against using any other than

DR. J. COLLIS BROWNE'S CHLORODYNE.

REMEDIAL USES AND ACTION.

This INVALUABLE REMEDY produces quiet refreshing sleep, relieves pain, calms the system, restores the deranged functions, and stimulates healthy action of the secretions of the body, without creating any of those unpleasant results attending the use of opium. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while Medical men extol its virtues most extensively, using it in great quantities in the following diseases:—

Diseases in which it is found eminently useful—Cholera, Dysentery, Diarrhœa, Colics, Coughs, Asthma, Rheumatism, Neuralgia, Whooping Cough, Cramp, Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS.

The Right Hon. Earl Russell communicated to the College of Physicians and J. T. Davenport that he had received information to the effect that the only remedy of any service in Cholera was Chlorodyne.—See *Lancet*, Dec. 31, 1864.

From A. Montgomery, esq, late Inspector of Hospitals, Bombay.—"Chlorodyne is a most valuable remedy in Neuralgia, Asthma, and Dysentery. To it I fairly owe my restoration to health, after eighteen months' severe suffering, and when other remedies had failed."

Dr. Lowe, Medical Missionary in India, reports (Dec, 1865) that in nearly every case of Cholera in which Dr. J. Collis Browne's Chlorodyne was administered, the patient recovered."

Extract from *Medical Times*, Jan. 12, 1866—"Chlorodyne is prescribed by scores of orthodox medical practitioners. Of course it would not thus be singularly popular did it not 'supply a want and fill a place.'"

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot too forcibly urge the necessity of adopting it in all cases."

Beware of spurious and dangerous compounds sold as CHLORODYNE, from which frequent fatal results have followed.

See leading article, *Pharmaceutical Journal*, Aug. 1, 1869, which states that Dr. J. Collis Browne was the Inventor of Chlorodyne; that it is always right to use his preparation when Chlorodyne is ordered.

CAUTION.—None genuine without the words "Dr. J. Collis Browne" on the Government stamp. Overwhelming medical testimony accompanies each bottle.

Sole Manufacturer, J. T. DAVENPORT,

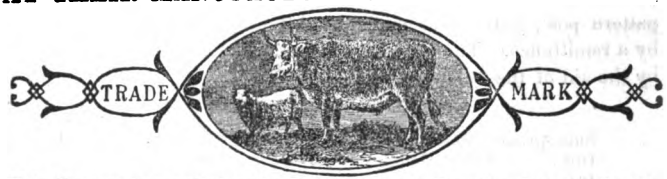
AT THEIR MANUFACTORIES IN SOUTH AMERICA.



This Extract is supplied to the British, French, Prussian, Russian, Dutch, and other Governments in preference to all other Extracts.

ANALYSED AND CERTIFIED GENUINE BY BARON LIEBIG.

One pound of this extract contains the soluble parts of 34 lbs. of *fine beef*, free from fat and gelatine, corresponding with about 45 lbs. of English butchers' meat, inclusive of the usual quantity of fat and bones.

It is not only used for Medical, but much more extensively for Household purposes, and is the cheapest and finest-flavoured stock for Soups, Entrées, Sauces, &c. At the present retail price of 11s. per lb. Extract, a pint of Delicious Beef Tea costs about 2½d., whilst made from fresh meat it would cost about one shilling.

J. Liebig. M. v. Pettenkofer DELEGATE.

The name of "Liebig's Extract of Meat" being applied contrary to Baron Liebig's expressed will, and without his guarantee of genuineness, to all sorts of Extract of Meat, the Public are cautioned not to allow the substitution of any other sort for this Company's genuine article, which should distinctly be asked for by the name of

LIEBIG COMPANY'S EXTRACT,

And require BARON LIEBIG'S Signature upon every Jar.

WAUKENPHAST'S SYSTEM OF BUSINESS

is especially adapted for doing a large trade with India. Neither the system nor the prices ever change. The stock is always ready for immediate dispatch and use. The number of the boots which fit is registered, and the same will fit again at any future time. (This registering of numbers secures the advantages of special lasts without their cost.) For measure with the first order, an old boot, sent by pattern post, is the best method. All orders must be accompanied by a remittance.
